We ve been trying for a long time  
**Gb** **Gb/Ab**  
To say what we want to say  
**Db** **F**  
But feelings don t come easy  
**Gb** **Gb/Ab**  
To express in a simple way  
**Gb**  
But we all have feelings  
**Ab**  
We all need loving  
**F** **Gb** **Gb/Ab**  
And who would be the fool to say, that if you  
**Db** **Fm**  
Hold me in your arms  
**Gb** **Gb/Ab**  
I won t feel better  
**Db** **Fm**  
If you hold me in your arms  
**Gb** **Gb/Ab**  
We can brave this storm together  
**Db** **F**  
We both know theres a problem  
**Gb** **Gb/Ab**  
A problem that we ve got to face  
**Db** **F**  
So put your trust in me, lover  
**Gb** **Gb/Ab**  
No-ones ever gonna take your place  
**Gb**  
cos we all have a problem  
**Ab**  
We all have fears  
**F** **Gb**  
But theres always got to be a way  
**Gb**  
Yes we all have feelings  
**Ab**  
We all need loving  
**F** **Gb** **Ab**  
And you would be a fool to say, that if you
