Hold Me In Your Arms
Rick Astley

Rick Astley – Hold Me in Your Arms
INTRO: (**C# Fm D#m G#**) 2x

C#   **F**
We´ve been trying for a long time
  F#   **G#**
To say what we want to say
C#   **F**
But feelings don´t come easy
    F#   **G#**
To Express in a simple way

      F#
But we all have feelings
   G#
We all need loving
    F   **F#**   **G#**
And who would be the fool to say, that if you

      C#   **Fm**
      Hold me in your arms
    D#m   **G#**
      I won´t feel better
        C#   **Fm**
      If you, hold me in your arms
      D#m   **G#**
      We can brave this storm together

C#   **F**
We both know, theres a problem
  F#   **G#**
A problem that we´ve got to face
C#   **F**
So put your trust, in me lover
      F#   **G#**
No-ones ever gonna take your place

      F#
Cos we all have a problem
   G#
We all have fears
        F   **F#**
But theres always got to be a way
      F#
Yes we all have feelings

```
     G#
We all need loving
         F                    F#      G#
And you would be a fool to say, that if you

REPETE **Refrão**
SOLO: (**A C# A C#**)

                A
You only have to hold me
**C#**         **A**            **C#**
Touch me, to make me feel so good
                **A**
You only have told me
**C#**
Feel me
    **A**                          **G#**
To make me feel the way, you know I should

**C#**                  **D#m**
Hold me in your arms, hold me in your arms
**C#**                  **D#m**              **G#**
Hold me in your arms, hold me in your arms

            **C#**
When you gonna hold me in your arms
**D#m**
Hold me in your arms
**C#**                  **D#m**              **G#**
Hold me in your arms, hold me in your arms

   **C#**                **D#m**
Hold me in your arms, hold me in your arms
   **C#**                **D#m**              **G#**
Hold me in your arms, hold me in your arms

FINAL: (**C# D#m C# D#m G# C#**)
