Hold Me In Your Arms
Rick Astley

    Rick Astley – Hold Me in Your Arms
INTRO: (**C# Fm D#m G#**) 2x

C#   **F**
We´ve been trying for a long time
   F#   **G#**
To say what we want to say
C#   **F**
But feelings don´t come easy
     F#   **G#**
To Express in a simple way

        F#
But we all have feelings
     G#
We all need loving
      F   **F#**   **G#**
And who would be the fool to say, that if you

          C#   **Fm**
          Hold me in your arms
       D#m   **G#**
          I won´t feel better
               C#   **Fm**
          If you, hold me in your arms
             D#m   **G#**
          We can brave this storm together

C#   **F**
We both know, theres a problem
   F#   **G#**
A problem that we´ve got to face
C#   **F**
So put your trust, in me lover
        F#   **G#**
No-ones ever gonna take your place

        F#
Cos we all have a problem
     G#
We all have fears
               F   **F#**
But theres always got to be a way
        F#
Yes we all have feelings

```
     G#
We all need loving
          F                      F#      G#
And you would be a fool to say, that if you

REPETE Refrão
SOLO: (A C# A C#)

                  A
You only have to hold me
C#           A              C#
Touch me, to make me feel so good
                A
You only have told me
C#
Feel me
    A                              G#
To make me feel the way, you know I should

C#                   D#m
Hold me in your arms, hold me in your arms
C#                   D#m              G#
Hold me in your arms, hold me in your arms

             C#
When you gonna hold me in your arms
D#m
Hold me in your arms
C#                   D#m              G#
Hold me in your arms, hold me in your arms

   C#                  D#m
Hold me in your arms, hold me in your arms
   C#                 D#m              G#
Hold me in your arms, hold me in your arms

FINAL: (C# D#m C# D#m G# C#)
```
