[Verse 1]

**Am** **D**  
I believe that there is light  
**Fmaj7** **Cmaj7**  
For the world is dark tonight  
**F** **Cmaj7**  
Storms are raging like a dog they bite  
**Bm** **Am**  
And it feels like winter  
**Am**  
But I believe  
**G**  
The winter  
**Fmaj7** **Cmaj7**  
That you can show us what they ve learned  
**Dm** **Cmaj7**  
Your generation will crumble and burn  
**Bm** **Am**  
cause this is winter

[Chorus]

**Am** **F** **G**  
So I need the light oh ooh  
**Am** **F** **G**  
I need the light  
**Am** **F** **G**  
I need the sun to rise and let my heart ignite  
**Am** **F** **G**  
I need the light to come into my life.

[Verse 2]

**Am** **G**  
We can make it through the night  
**Fmaj7** **Cmaj7**  
Holdin on, hold on, so tight  
**Dm** **Cmaj7**  
Take my hand to the morning light  
**Bm** **Am**  
We ll make it through winter  
**Am** **G**

Cause I believe this storm will break

**F** **C**  
Youth will triumph, yes, they ll make mistakes

**Dm** **C**  
But I know they ll win, whatever it takes

**Bm** **Am**  
cause this is winter

[Chorus]

**Am** **F G**  
cause I need the light oh ooh  
**Am** **F G**  
I need the light
