Ive been kissed by Jesus - Rick Pino

In the verses you just pick the chords its pretty easy to pick it up by ear but if you cant get it heres a simple run down, 3rd fret top e string (top string), then open g string (4th string down), and 3rd fret b string (5th string down). continue this pattern second time around but start with 2nd fret top e string, and then finally finish with open top e string followed by open g string (4th string down), 3rd fret b string (5th string down).

[Verse 1]

G **D/F#** **Em** **D/F#**
I ve been kissed by Love s lips
Rescued by Love s hands
Forged in fire, not cheaply made
This love cannot be slain

[Chorus]

C **Em** **D/F#**
I ve been kissed by Love
I ve been kissed by the Son
I ve been kissed by Love
I ve been kissed by Jesus

[Verse 2]

G **D/F#** **Em** **D/F#**
Your tender words, they melt my heart
This melting heart will dance
Your caring touch heals me again
You re closer than a friend

I m so in love with You, Jesus
I m so in love with You, Jesus
