Rick Roberts Pick Me Up On Your Way Down

**A**

You were mine for just a while

**D**

Now you re puttin on the style

**E**

And you ve never once looked back

**A**

At your home across the track

**A**

You re the gossip of the town

**D**

But my heart can still be found

**E**

Where you tossed it on the ground

**A**

Pick me up on your way down

**A**

Pick me up on your way down

**D**

When you re blue and all alone

**E**

When their glamour starts to bore you

**A**

Come on back where you belong

You may be their pride and joy

**D**

But they ll find another toy

**E**

And they ll take away your crown

**A**

Pick me up on your way down

SOLO

**A**

They have changed your attitude

**D**

Made you haughty and so rude

**E**

Your new friends can take the blame

**A**

Underneath you re still the same

When you ve learned these things are true

**D**

I ll be waiting here for you

**E**

As you tumble to the ground

**A**

Pick me up on your way down

**A**

Pick me up on your way down

**D**

When you re blue and all alone

**E**

When their glamour starts to bore you

**A**

Come on back where you belong

You may be their pride and joy

**D**

But they ll find another toy

**E**

And they ll take away your crown

**A**
