D G/D

Run - heart in my mouth

A/D

Run so hard that it beats

D

and repeats in my head like a gun

G/D

East - west, north and south

A/D

No direction to go

D

but I know that the ending s begun

F# Bm

I know I made a mistake coming here again

E/G# *I*

But I had to remind myself of where and

when

D G/D

We threw off our chains

A/D

Hid ourselves in ourselves from the world

D

and its organized hell

G/D

Now - nothing remains

G/A I

Barely a trace of the place where I knew

him well

Refrão

G

Down

D

Down he said get on the floor

A

And stay well away from the door

D

Or someone will see us for sure

 \mathbf{D}

Loved him like no-one before

D G/D

Run - goodness know where

A/D

I m a poor refugee

D

and I might as well be on the moon

G/D

Still why should I care?

G/A

I had it all in one grand afternoon

(Refrão)

G

I

D

Feeling the death and decay

Α

Didn t expect him to stay

D

Stay with me Julia stay

G

But I

D

Only remember that day

Α

As ruler of all I survey

Ε

And nothing can take that away
