

Paris Nights
Ricky Gervais

Versus (strum each chord once)

Am **F**
The rose you never used your thorns,
C **G**
The ones you loved abandoned you.
Am **F**
Your angel face made hearts so warm,
C **G**
You helped the sick, but who helped you?

Pre-chorus (palm-muted)

Am **F**
Then rushing through, the Paris nights,
C **G**
They hounded you, you lost control.
Am **F**
We prayed that you would be alright,
C **G**
The news came through, your body co-o-old....

Chorus (picked)

C **F** **C** **G**
Goodnight, my sweet princess....

Don t forget to put a ridiculous facial expression on when changing to the pre-chorus.
