Come to me
When your soul is tired and your heart is weak
Do you think of love as a one way street
Well it runs both ways,
open up your eyes
Can’t you see me here
how can you deny
**REPITE CORO**
Every endless night has a dawning day
Every darkest sky has a shining ray
It takes a lot to laugh as your tears go by
But you can find me here till your tears run dry
It’s a private emotion that fills you tonight
And a silence falls between us
As the shadows steal the light
