written by Don Robertson and Lou Hersher

C **E7**
You re free to go darling
F **C**
I ll break the ties that bind
G7 **C**
Somehow the dreams we planned have gone astray
G7 **C** **E7**
You re free to go darling
F **C**
So ease your worried mind
G7 **C**
I ll never stand in your way

F **C**
There s no ring or shining gold
G7 **C**
So strong that it can hold
D7 **G7**
A heart that longs to be free
C **E7**
The lips are cold darling
F **C**
That once said yes to me
G7
The tender glow is gone I know
C
You re free to go
