Verse:

C **F**
The morning wakes, I find myself entangled
Am **G**
In visions of your warm embrace
C **F**
I pour some coffee, and slowly swirl in memories
Am **G**
Of the night we watched the stars fade into space

Chorus:

C **F**
I'm addicted to your tender kisses and its
Am **G** **C**
Keeping me up all night, I didn't expect that I'd be
F **Am** **G**
So affected ever time you look me in the eyes
C **F** **C** **F**
I become so helpless, helpless

Verse 2: (same Verse Chords)

Day moves along, the symptoms only aggravate like
Wishing for a passerby, to stop a while
And listen to my story of
How much brighter you've made my life

(repeat chorus)
