YOUR UNIVERSE

[Verse]

G

Tell me something

Em

When the rain falls on your face

C

How do you quickly replace

Am

It with

G

A golden summer smile?

G

Tell me something

Em

When I m feelin tired and afraid

C

How do you know just what to say

Am

To make

G

Everything alright?

[Chorus]

C

I don t think that you even realize

Am

The joy you make me feel when I m inside

G

Your universe

C

You hold me like I m the one who s precious

Am

I hate to break it to you but its just

Em

G

The other way around

C

You can thank your stars all you want but

Am

G

I ll always be the lucky one

[Verse]

G

Tell me something

Em

When I m bout to lose control

C

How do you patiently hold

Am

My hand

G

And gently calm me down?

G

Tell me something

Em

When you sing and when you laugh

C

Why do I always photograph

Am

My heart

G

Flyin way above the clouds?

[Chorus]

C

I don t think that you even realize

Am

The joy you make me feel when I m inside

G

Your universe

C

You hold me like I m the one who s precious

Am

I hate to break it to you but its just

Em

G

The other way around

C

You can thank your stars all you want but

Am
