Subject: Ride - Drive Blind (from the EP Ride )

Quite an easy, yet classic song from the band s debut EP.  
An acoustic version from Creation Undrugged at the Royal Albert Hall  
can be found on I Don t Know Where it Comes From CD#1.

Intro (Tab)

This is repeated at various points all through the song.  
This might be tabbed(?) for the wrong position, but the notes themselves  
are correct.

Some of these lyrics are bound to be wrong - but nobody s perfect :)

**F#**                   **E**                   **B**                   **A**  
Can you see the light of the blue on the signs?  
**F#**                   **E**                   **B**                   **A**  
Can you see the roads of the long white lines?  
**F#**                   **E**                                   **B**                   **A**  
Feeling the ground through the pedals on the floor.  
**F#**           **E**                                   **B**                   **A**  
Feeling death mounting at the door.

**F#**   **E**   **B**   **A**  
Oooh, oooh. Ooooh, oooh.  
Oooh, oooh. Ooooh, oooh.

**F#/E/B/A \*2**

[Same pattern]

Windows all open, there s chaos in my hair.  
Drive me around and your leaving me there.

Cover my eyes to that traffic blind.  
Cover my trail and we ll leave this life

Behind. Oooh, oooh.  
Drive Blind. Oooh, oooh.  
Drive Blind. Oooh, oooh.  
Drive Blind.

**A/A/A/B \*2**

**A**                    **A**  
All I want is too much light.  
**A**                                    **B**  
Catching it frozen in the snout.  
**A**                    **A**  
Dry flashes at the trains.  
**A**                                    **B**  
Going, flowing - we re lifting off the ground.

[Generally do whatever you wat for a bit :)]

[The **F#/E/B/A** bit again]

Can you see the light of the blue on the signs?  
Can you see the roads of the long white lines.  
Cover my eyes to that traffic blind.  
Cover my trail and we ll leave this life

Behind. Oooh oooh.  
Drive Blind. Oooh, oooh.  
Drive Blind. Oooh, oooh.  
Drive Blind. Oooh, oooh.  
Drive Blind. Oooh, oooh.

[Keep repeating **F#/E/B/A** but for the last time  
each chord lasts for 4 times the length.]

That s yer lot for now. If you download this, please mail me -  
just so I know if anyone does actually use it. Also mail me if you  
are a student at Birmingham University and wouldn t mind being in a band  
to play this sort of stuff (I can be a guitarist or bassist). The band I am  
in at the moment is too rock based and I wouldn t mind playing stuff I like.

Cheerio,
