Cry

Capo 2

D Well there s no dawn like the dawn that comes to the desert lands **G**
D There s no sun that sets like when I m holdin your hand **E A**
D There s no fire like the fire in your eyes when we start to fight **G**
D There ain t no goodbye like the goodbye I went through last night **A D**

Chorus:

G D
Last night, I wish I d had the strangest dream
A Bm
You walked out on me, it was so surreal
G D Bm
Goodbye echoin through my mind
G A D
And I cry, cry, cry, cry, cry

There s no water like the clear blue water comin from your eyes
And there s no sound like the sound in your voice when you re tryin not to cry
There s no blood like the blood in my guts when you twist the knife
And there ain t no goodbye like the goodbye I went through last night

(Chorus)

There s no drink like the strongest drink by the firelight
There s no love like the love of your friends when you re hurtin inside
And there s no brothers like the brothers when the bottle and the truth collide
And there ain t no goodbye like the goodbye I went through last night

(Chorus)

G A D
Ya I cry, cry, cry, cry, cry
