Barely Bit Me
Right Away, Great Captain!

Tuning - Standard on album, seems to play it a half a step up acoustically live.

intro: riff x2
Riff
  Barely bit me
Riff   **C**   **G**
  Sin has always found a way to stay
      Am   **Em**   Riff
  the poison trials anyway
               Riff
  Barely bit me
                     C   **G**   **Am**   **Em**   Riff
  Sin has always found a way to make the saints obey
Riff   riff
  It s hardly hurting
                    C   **G**   **Am**   **Em**   Riff
  It s only odd because in some way I ve seen this place
Riff   Riff
  It s hardly hurting
                    C   **G**   **Am**   **Em**   Riff
  It s only odd because in some way I ve seen this play out so many ways
Riff   Riff
  I wanted mercy
                     C   **G**   **Am**   **Em**   Riff
  I wanted proof, like you, that all my chains could break away
 C   **G**   **Am**   **Em**
  It s all frightening, its better off this way
   C   **G**   **Am**   **Em**   Riff
  The path appropriate is no longer in the way
Riff   Riff
  Okay it s hit me
                  C   **G**
  The Serpent s Garden overgrown in me
   Am   **Em**
 A prophecy
    C   **G**
  A wanton mercy
   Am   **Em**   Riff
  A wanted thief

```
                  Riff
Mother I noticed
                                    C              G
One of the men on the cross was allowed to come down
Am                 Em    Riff
Allowed to come down
                 Riff
Mother I noticed
                                    C              G
One of the men on the cross was allowed to come down
  Am                 Em
Allowed to come down
