[Verse]

D **G** **D**
It must have been a month since you last loved me
D **G** **A**
And I haven't slept a wink I hope you care
D **Bm**
And I went to hell and back for half an hour
D **G** **A**
And started a staring contest with your man
Bm **F#**
And I was a cage, I was a cage, I was a cage
G **D** **A**
A cage to you, a cage to you
D **G** **D**
And it has to been a year since I was sober
D **G** **A**
And I made a point to pinch my skin again
D **G** **Bm**
Its any minute now that I will wake you
D **G** **A**
Watching a woman sleep can get you scared
Bm **F#**
But I am a cage, I am a cage, I am a cage
G **D** **A**
Surrounding you, surrounding you
Bm **F#**
But I am afraid, I am afraid, God I m afraid
G **D** **A**
Of the truth, inside of you
D **G** **D**
I could use a friend to say they love me
D **G** **A**
But I m gonna make a sound you cant forget
D **G** **Bm**
And afterwards I swore that I would harm you

D **G** **A**
Now I m way too tired to give a shit

Bm **F#**
Cause I was a wave, yeah, I was a wave, a wave

G **D** **A**
Collapsing you, collapsing you

Bm **F#**
Yeah I was a wave, I was a wave, I was a wave

G **D** **A**
Collapsing you, collapsing you
