What a pity that it is  
The way to come back home  
I tried to make a point  
To sell the last of what I own  
Well I can feel your breeze  
Begin to choke my living soul  
But I promise that its worth it

What a pity that it is  
I tried to make the words become a kingdom to your soul  
No matter how I try its just a lyric nothing more  
And it cant be worth it

What a pity that it is  
To know that your alone  
I tried to clean your place up and make it feel like you were home  
No matter how I tried, still the house won t send you now  
And I m not really worth it  
No Im never really worth it  
And its not really worth it
