I'm Too Sexy
Right Said Fred
 (intro) F Eb C
I m too sexy for my love too sexy for my love
Love s going to leave me
 I m too sexy for my shirt too sexy for my shirt
So sexy it hurts
                                                                                                                                                                                                                        Eb
And I m too sexy for Milan too sexy for Milan
                                                                                                      F
                                                                                                                  Eb
New York and Japan
And I m too sexy for your party
Too sexy for your party
No way I m disco dancing
 I m a model you know what I mean
And I do my little turn on the catwalk
Yeah on the catwalk on the catwalk yeah
                                                                                                                                                                                        C (F Eb C)
I do my little turn on the catwalk % \frac{1}{2}\left( \frac{1}{2}\right) =\frac{1}{2}\left( \frac{1}{2}\right) +\frac{1}{2}\left( \frac{
 I m too sexy for my car too sexy for my car
                                                C
Too sexy by far
And I m too sexy for my hat
                                                                                      Eb
Too sexy for my hat what do you think about that
 I m a model you know what I mean
And I do my little turn on the catwalk
Yeah on the catwalk on the catwalk yeah
                                                                                                                                                                                                                        F Eb C
I shake my little touche on the catwalk
 I m too sexy for my too sexy for my too sexy for my
```

Cause I m a model you know what I mean
