

Youre My Mate
Right Said Fred

Song: You re my mate

Artist: Right said Fred

This is the riff which is played during the verses.

1. **E**
I ll tell you what I think
A
I think she s a cow
E **B**
she s let you down too many times now
2. Let s go for a drink
forget it from now
put it behind you, I think it s your round

Ref.: (chords are strummed here)

E **A**
Cause you re my mate and I will stand by you
E **B**
you re my mate an I will stand by you
E **A**
well in the face of things that could heard you
E **B**
you re my mate and I will stand by you
E **A** **E** **B**
cause you re my mate (over these chords is played a part with bagpipes)

3. I ll tell you what I think
I think he s a pain
he ain t got a car but he drives you insane
4. Let s go for a drink

and think of you
enough about him, let s talk about you

Ref.

Bridge: **E** **A** **E** **B**
All I wanna do, is get drunk here with you (play it 4 times)

Ref.

Outro: **E A E B**

I think this song is really easy to play.
