[Intro]

Am F Am F

[Verse]

Am **F**
I m not the type to get my heart broken
Am
I m not the type to get upset and cry
F
cause I never leave my heart open
F
Never hurts me to say goodbye
G
Relationships don t get deep to me
Em
Never got the whole in love thing
F
And someone can say they love me truly
Am
But at the time it didn t mean a thing

[Pre-Chorus]

F **Am**
My mind is gone, I m spinning round
F
And deep inside, my tears I ll drown
G **Em**
I m losing grip, what s happening
F **Am**
I stray from love, this is how I feel

[Chorus]

This time was different
F
Felt like, I was just a victim
Dm
And it cut me like a knife
G
When you walked out of my life
Am
Now I m, in this condition

F

And I ve, got all the symptoms

Dm

Of a girl with a broken heart

G

F

But no matter what you ll never see me cry

F

Did it happen when we first kissed?

Maybe why I m sad to see us apart

I didn t give to you on purpose

Can t figure out how you stole my heart
