Farewell
Rihanna

Intro: **G D Em C**

G
wherever you re going
D
i wanna go
Em
wherever you re heading
C
can you let me know
G
i don t mind catching up
D
i m on my way
Em   **C**
just can t take the thought of you miles away
G   **D**
and i know you re going somewhere to make a better life
Em   **C**
i hope that you find it on the first try
G
and even though it kills me
D
that you have to go
Em
i know it ll be sadder
C
if you never hit the road
G   **D**
so farewell!

D   **Em**   **C**
somebody is gonna miss you
G   **D**
farewell
                        Em   **C**
somebody is gonna wish that you were here
                            G
that somebody is me

                                        D
i will write to tell you what s going on
Em   **C**
but you won t miss nothing but the same old song
G
if you don t mind catching up
D   **Em**   **C**

i ll spend the day telling you stories about a land far away
G
but i know

                                           D
and i know you re going somewhere to make a better life
Em   **C**
i hope that you find it on the first try
G
and even though it kills me
D
that you have to go
Em
i know it ll be sadder
C
if you never hit the road

G   **D**
and i m gon try to hold it all in
Em   **C**
try to hold back my tears
G   **D**
so it don t make you stay here
G   **D**
i mma try to be a big girl now
                     Em   **C**
cause i don t wanna be the reason you don t leave
