

Firebomb

Rihanna

Intro :

D - A - Em - G

D Gunfire left a hole in the tank losing gasoline **A**
Fire is on my trail and he s after me **Em**
Hope it dont get here before I get where I m going, **G**
I gotta get where I m going take off the mask to breathe **D**
You could ve been a part of a masterpiece **A**
Fluid in breaks was the last to leak, that s the thing **C**

Pre Chorus:

A Where I m going I don t need my brakes **G**
Can t wait to see you re face, **Em**
When your front windows break, **Bm**
Then I ll come crashing through, **A**

Chorus:

D The lovers need to clear the road, Oh oh, **A**
Cause this thing is ready to blow, Oh oh **Bm G**
I just wanna set you on fire so I wont have to burn alone, **D A**
Then you, then you ll know where I m coming from **G G**

A D A
Fire Bomb
Bm G
(Fire Bomb)

2D Verse:

D Scenes go but baby no it doesn t have to be, **A**
Em

Microwave in a metal tragedy,

G

Watching it burning it s beautiful and blue,
When it s through it s the other half of me,

D A
I didn t do it you lit the match for me,

C

Now we re flying from the blast baby that s the thing

Pre Chorus:

A G
Where we re going we don t need no brakes,

Em

Can t wait to see you re face,

Bm

When your front windows break,

A

Then I ll come crashing through,

Chorus:

D A
The lovers need to clear the road, Oh oh,

Bm G

Cause this thing is ready to blow, Oh oh

D

A

I just wanna set you on fire so I wont have to burn alone,

G

G

Then you, then you ll know where I m coming from

Bridge

G Em
Baby we were killing them,

Bm

A

They couldn t handle the millionth degree,

G

We were criminals,

Bm

A

As we were burning the world called the police,

G

Bm

Fire department ambulance, you called me crazy,

A Em D/F# G

Cause I believe the only move for me and you is to go out blazing,

Chorus:

D A

The lovers need to clear the road, Oh oh,

Bm G

Cause this thing is ready to blow, Oh oh

D

A

I just wanna set you on fire so I wont have to burn alone,

G

G

Then you, then you ll know where I m coming from
