I just really need your ass with me
D F
I m sorry bout the other night

G
And I know I could be more creative
Em
And come up with poetic lines
C
But I m turnt up off sizz and I love you
D F
Is the only thing that s in my mind

G Em
You take me higher, higher than I ve ever been, babe
C
Just come over, let s pour a drink, babe
D
I hope I ain t calling you too late, too late

G
You light my fire
Em
Let s stay up late and smoke mary jane
C
I wanna go back to the alleyway
D
But I m drunk and still with a full ash tray
F G Em C D
With a little bit too much to say
