

Love The Way You Lie (feat. Eminem)
Rihanna

Verso 1:

On the first page of our story,
the future seems so bright.
And this thing turned out so evil,
I don't know why I'm still surprised.
Even angels have their wicked
schemes and you take that to new extremes.
But you'll always be my hero,
even though you lost your mind.

Refrão:

Just gonna stand there and watch me burn,
But that's alright because I like the way it hurts.
Just gonna stand there and hear me cry,
But that's alright because
I love the way you lie, I love the way you lie.
ooh....I love the way you lie.

Verso 2:

Now this gravel in our voices,
glass is shattered from the fight.
In this tug of war, you'll always win, even when I'm right.
Cause you feed me fables from your hand,
With violet words and empty threats and it's sick
that all these battles are what keeps me satisfied.

Refrão:

Gm **Eb**
Just gonna stand there and watch me burn,
Bb **F**
But that's alright because I like the way it hurts.
Gm **Eb**
Just gonna stand there and hear me cry,
Bb
But that's alright because
F **Gm**
I love the way you lie, I love the way you lie.
Eb **Bb** **F**
ooh....I love the way you lie.

Ponte:

Gm **Eb**
So maybe I'm a masochist
Bb **F**
I try to run but I don't wanna ever leave.
Gm **Eb**
Til the walls are goin?
Bb **F**
up in smoke with all our memories.

Refrão (Apenas toques suaves):
