

No Princess
Rihanna

EM **AM**
Once, far away and long ago
AM **D**
Was a tale my daddy told, to me
EM **AM**
He said, theres a land of fantasy
AM
Theres a prince wholl fight for me,
D
Till the end

Chorus:

EM **AM**
This isnt how I thought it was supposed to be
D **EM**
You were the one who I imagined next to me
EM **AM**
But sometimes love fell in the hands of the wreckless
D **AM**
This is no fairytale, and I am no princess

No princess

EM **AM**
Now, were living in the strangest dream
AM
I dont know what to believe
D **EM** **AM**
Cuz when, you said, Im the one wholl find for you
AM
Im the one youll never lose
D
That was just to tell

EM **AM**
This isnâ€™t how I thought it was supposed to be
D **EM**
You were the one who I imagined next to me
EM **AM**
But sometimes love fell in the hands of the wreckless
D **AM**
This is no fairytale, and I am no princess

No princess

EM
If I am a prisoner then where is my captor
EM **AM**
And Ill never know happily ever after
D

Am no princess

EM

Thats just how it is

EM

But now Im wiser

EM **AM** **D** **AM D**

EM **AM**

This isnt how I thought it was supposed to be

D **EM**

You were the one who I imagined next to me

EM **AM**

But sometimes love fell in the hands of the wreckless

D **AM**

This is no fairytale, and I am no princess
