Rihanna - Please Don t Stop The Music

The whole song revolves around this pattern (listen to the song to get the rhythm right):

          D          D      D C#m C#m  
It s getting late  
          D          D          D   C#m   C#m  
I m making my way over to my  
D          D      D C#m C#m  
favourite place      I gotta  
D          D      D C#m C#m  
get my body moving shake the  
F#m F#m F#m E E  
stress away I wasn t  
F#m F#m F#m E E  
looking for nobody when you  
F#m          F#m F#m E E  
looked my way      possible  
F#m F#m F#m E E

This rhythmical pattern continues over and over, and the chords stay the same.  
Have fun!

Lyrics:

It s gettin late  
I m making my way over to my favorite place  
I gotta get my body moving shake the stress away  
I wasn t looking for nobody when you looked my way  
Possible candidate (yeah)

Who knew  
That you d be up in here lookin like you do  
You re makin stayin over here impossible  
Baby I must say your aura is incredible  
If you dont have to go don t

Do you know what you started  
I just came here to party  
But now we re rockin on the dancefloor  
Acting naughty  
Your hands around my waist  
Just let the music play  
We re hand in hand  
Chest to chest  
And now we re face to face

I wanna take you away  
Lets escape into the music  
DJ let it play  
I just can t refuse it  
Like the way you do this  
Keep on rockin to it  
Please don t stop the  
Please don t stop the  
Please don t stop the music  
(Repeat Chorus)

Baby are you ready cause its getting close  
Don t you feel the passion ready to explode  
What goes on between us no one has to know  
This is a private show (oh)

Do you know what you started  
I just came here to party  
But now we re rockin on the dancefloor  
Acting naughty  
Your hands around my waist  
Just let the music play  
We re hand in hand  
Chest to chest  
And now we re face to face

I wanna take you away  
Lets escape into the music  
DJ let it play  
I just can t refuse it  
Like the way you do this  
Keep on rockin to it  
Please don t stop the  
Please don t stop the  
Please don t stop the music  
Please don t stop the music (3x)
