

Suicide
Rihanna

D

Everywhere is still

Em

G

everything is restless in my heart

D

i hate the way this feels

Em

G

suddenly i m scared to be apart

Em

C

the days are dark when you re not around

C

D

the air is getting hard to breathe

G

Em

i wish that you would just put me down

C

D

i wish that i could go to sleep

Chours:

G

Em

loving you is suicide

C

Em

i don t know should go or should i stay

G

Em

i m tryna to keep myself alive

C

Em

knowing there s a chance it s all too late

C

D

but i heard you say you love me

G

Em

that s the part i can t forget

C

Em

and i wish that you come save me

G

D

cos i m standing over the edge

D

i should let you go

Em

G

tell myself the things i need to hear

D

but my brain is wired wrong

Em

G

that s why i m loving you when you re not here

Em

C

feels like i drown in your every word

G

Em

and every breath that s in between

C

D

somehow you got me where it really hurts

Em **C**

it s killing every part of me

Chours!!

G **Em** **C** **D**

loving you is suicide

G **Em**

and my world s about to break

G **Em** **C** **D**

and i..

. **G** **D**

had as much as i can take

C **Em**

and love is a long way down

G **Em**

loving you is suicide

C **Em**

and it s getting harder everyday

G **Em**

i m tryna to keep myself alive

C **Em**

knowing there s a chance it s all too late

C **D**

and i m way past every moment

G **Em**

but i m still determined to fight

C **D**

and i know it s taking all my strength to keep emotions alive

G **Em**

loving you is suicide

~This is my first Tab so.. hope you like ;)~
