(Lyric and music by Ne-Yo, T.E. Hermansen, M.S. Eriksen)
Intro
MI SI DO#m
Oh...
                         LA
                                         MI
                                             SI
How about a round of applause?
         LA
                MΙ
                       SI DO#m LA MI SI RE
Yeah, standin ovation.
MΙ
             SI
                               DO#m LA
You look so dumb right now,
            SI
                           DO#m LA
Standin outside my house,
  MΙ
Tryin to apologize,
                     LA
                                       MI
                                              SI
You' re so ugly when you cry, please just cut it out.
ΜI
                                SI
                                                    DO#m LA
Don't tell me you're sorry cause you're not,
                       MΙ
                                                                RE
Baby when I know you' re only sorry you got caught,
              MΙ
                                 SI
                                                          LA
But you put on quite a show you really had me goin ,
                              SI DO#m
                                                     LA
But now it's time to go Curtain's finally closin
 MΙ
                          SI DO#m
                                           LA
                                               FA#m7
That was quite a show very entertainin ,
           MI/SOL# LA
But it's over now (but it s over now),
                MI/SOL# RE
Go on and take a bow, oh oh.
MΙ
                 SI
                                   DO#m
                                             LA
Grab your clothes and get gone (get gone),
                                                  SI
You better hurry up before the sprinklers
      DO#m
                LA
come on (come on),
                      MΙ
Talkin' bout girl, I love you, you' re the one,
This just looks like the re-run,
```
