

Laughing at me, and I just wanna scream:

[Chorus]

F# G#m E
What now? I just can't figure it out
F# G#m E
What now? I guess I'll just wait it out
F# G#m E
What now? Please tell me
F#m G#m E
What now?

[Bridge]

G#m B F#
There's no one to call cause I'm just playing games with them all
G#m B F# D#m
The more I swear I'm happy, the more that I'm feeling alone
G#m B
Cause I spent every hour just going through the motions
F# G#m
I can't even get the emotions to come out
B C# D# E
Dry as a bone, but I just wanna shout

[Chorus]

F# G#m E
What now? I just can't figure it out
F# G#m E
What now? I guess I'll just wait it out (wait it out)
F# G#m E
What now? Somebody tell me
F#m G#m E
What now?
