

Your Love  
Rihanna

**Dm** **F**  
City lights don t shine as bright when were apart  
**C**  
baby you have got the keys to my heart  
**Dm** **F**  
promise that you ll never leave me in the dark  
**C**  
and If I need your light be my star  
**Dm**  
you say you love me, love me, love me  
**F**  
but that don t do nothing for me  
**C**  
you ve gotta do more than tell me what ur feelin  
**Dm** **F**  
cus if u want me, want me, want me, I better become ur only  
**C**  
that s the only way that ill be waiting ohhhh

**Dm** **F**  
cus I would just die without it, and there aint know doubt about it  
**C**  
your love, your love, your love  
**Dm** **F**  
cus I would never make it without it, and there aint know doubt about it  
**C**  
your love, your love, your love

like a flame that flickers in  
come on light my fire  
love me like there is no end  
till the end of time

you say u love me love me love me,  
but that don t do nothing for me  
you ve gotta do more than tell me what ur feelin  
cus if u want me, want me, want me, I better become ur only  
cus that s the only way that ill be waiting ohhhh

cus I would just die without it, and there aint know doubt about it  
your love, your love, your love  
cus I would never make it without it, and there aint know doubt about it  
your love, your love, your love
