Breakin Up
Rilo Kiley

    Hi There! I saw this song was requested and honestly I
had never heard it before and had just only recently heard
of Rilo Kiley. So I looked it up on youtube and it really
is a good song and easy to play too. The D s in the verses
only (not chorus or mid) are maybe Dsus2 s [x 0 0 2 3 0], IDK!
Let me know what you think!
