```
I Never
Rilo Kiley
i m only a woman
                        \mathbf{Bm}
  of flesh and bone
an i wept much
  Bm
we all do
                  C#m
                            Bm
i thought i might die alone
but i have
never never never
Bm
never never never
never never met you
so baby be good to me
i got nothing to give you, you see
      C#m
except everything, everything,
everything, everything,
            \mathbf{Bm}
                            C#m
                                    Bm
       Α
all the go-oo-oo and the bad
cause i ve been bad
          \mathbf{Bm}
i ve lied, cheated, stolen and
     C#m
                                 Bm
been ungrateful for what i had
and i m afraid habits rule my waking life
                                 C#m
i m scared and i m runnin in my sleep for you
but all the oceans, and rivers and showers
will wash it all away and make me clean for you
```

cause i have

```
never never never
\mathbf{Bm}
never never never
C#m
never never never
never never never met you
  D
so lets take a loan out
put it down on a house
               A/G# F#m
in a place we ve never lived
in a place that exists
      Dm
in the pages of scripts
      Α
            A/G#
                     F#m
and the songs that they sing
and all of the beautiful things
that make you weep but
don t have to make you weak
cause i ve
never never never
never never never never
never never never
Bm
never never never never
never never never
never never never never
C#m
never never never
         D
loved somebody the way
```

that i loved you
