

Papillon
Rilo Kiley

I threw this together with the help of the awesome people over at the RKNNet forums. I am 99 per cent sure it s completely correct. Enjoy!

C

Papillon busted free

Em

Though it took him til he was sixty-three

F

G

Am, F, G

And nobody cared about the Goddamned inquiry

C

And Daga stayed on the farm

Em

Though he found no cause for alarm

F

G

Am, F, G

It was a hell of a swim but he still had two good arms

C

F

Gorillas are for eating

Dm

Don t you know it s true

G

I fell in love with you

Am

And don t you think it s sad

F

Cause here we both stand

G

Amidst the wreckage of our past

C

And I ll spend the day with you

Em

We ll meet at your house after two

F

G

Am, F,

G

You re the most exhausting girl I ever knew

C

And when you let me leave I ll go

Em

I ll let you get back to your phone

F

G

Am, F, G

You mean well, Mel, but you re all talk and no show

C **F**
 Pick you lips til they re bleeding
Dm
 Don t you know I fell
G
 The lair of the queer devil
Am
 Is deeper than you thought
F
 The computer s still on
G
 And the webpage is alt.com

C **G** **F** **G**
 And I hope you ll come back soon
C **G** **F** **G**
C
 And I feel like a million bucks today, a million bucks today
C **G** **F** **G**
 Cause I know it can only go up from here
F **G** **C**
 Cause she says it s so much better after all

C
 After all we been through
Em
 I can t get my mind off of you
F **G**
Am, F, G
 It s a hell of a way to spend the whole day through
C
 And you left your name on the bar
Em
 You hopped your little brown car
F **G**
 You moved in with Gramps and you got yourself a job

C **F**
 And the room is slowly sinking
Dm
 But I can play guitar
G
 And Morgan you re so far
Am
 Away from me tonight
F
 And I ll try to make it right
G
 By putting you in this here song

C
 Oh yeah
E

Okay

Dm

Okay wait

G

C

Oh my God, Blake

F

That s what she said

G

In bed

C

Papillon busted free

Em

We watched him at 4:53

F

G

C

And I m glad you chose to spend the night with me

What a great song. Don t you just feel all gooey?
