

Snookeroo
Ringo Starr

Eb **Bb**
I was born in the north of England
 Cm **G#**
I was raised in a working town
Eb **Bb**
I broke all the rules when I went to school
 Cm **G#**
But the teachers couldn't pin me down

Eb **Bb**
I tried to make my parents proud
 Cm **G#**
By adapting to the social powers
Eb **Bb**
Oh pigs will fly, and the earth will fry
 Cm **G#**
When they get me doing honest hours

Cm
Snookeroo, Snookeroo
Bb
Daddy's going on the booze
Cm
Mother used to cut my hair
 Bb
And sister used to make the news

Cm
Oh it was two rooms up and two rooms down
 Bb
And we were sentenced by the wrecking crane
 Eb **G#** **Cm**
I was born on the eve of Halloween
 G# **Bb** **Eb**
And Snookeroo, Snookeroo, Snookeroo's my name.

Eb **Bb**
I need someone to cook for me
 Cm **G#**
And turn me loose at night
Eb **Bb**
I could spend my life with a factory girl
 Cm **G#**
Cause the factory girl's my type

Eb **Bb**
I hear them gossip on the street

Cm **G#**

Most of what they say is true

Eb

Bb

Oh don't you know that I hear them say

Cm

G#

There goes that lazy, no-good Snookeroo

(Repeat chorus)
