

Snookeroo

Ringo Starr

E **B**
I was born in the north of England
C#m **A**
I was raised in a working town
E **B**
I broke all the rules when I went to school
C#m **A**
But the teachers couldn't pin me down

E **B**
I tried to make my parents proud
C#m **A**
By adapting to the social powers
E **B**
Oh pigs will fly, and the earth will fry
C#m **A**
When they get me doing honest hours

C#m
Snookeroo, Snookeroo
B
Daddy's going on the booze
C#m
Mother used to cut my hair
B
And sister used to make the news

C#m
Oh it was two rooms up and two rooms down
B
And we were sentenced by the wrecking crane
E **A** **C#m**
I was born on the eve of Halloween
A **B** **E**
And Snookeroo, Snookeroo, Snookeroo's my name.

E **B**
I need someone to cook for me
C#m **A**
And turn me loose at night
E **B**
I could spend my life with a factory girl
C#m **A**
Cause the factory girl's my type

E **B**
I hear them gossip on the street

C#m **A**

Most of what they say is true

E **B**

Oh don't you know that I hear them say

C#m **A**

There goes that lazy, no-good Snookeroo

(Repeat chorus)
