

Walk With You  
Ringo Starr

(intro) D G D G D A7 D

D G D  
No man is an island who has been in love  
D G D  
Bringing understanding every push and shove  
D G D  
Just as fundamental as the stars above  
Bm G D  
It is benefitting every hand in glove  
D A  
And you tell me it s a cold day in hell when you surrender  
A  
For love and a chance to remember  
A A/G A/F# A/E  
What we have to hold \_ is more silver and gold

D D  
When i walk with you, when i talk with you  
G D  
everything will be fine,  
D D  
When i walk with you when i talk with you,  
G D A7 D  
everything will be fine, will be fi..-ne

D G D  
It s coincidental we have met before  
D G D  
Let this be the time and place that we explore  
D G D  
With no hesitation knocking at that door  
Bm G D  
Open up your heart and love forever more  
D A  
And i tell you it s a cold day in hell but we remember  
A  
That song that starts out love me tender  
A A7  
And that king of hearts

D D  
When i walk with you, when i talk with you  
G D  
everything will be fine,  
D D  
When i walk with you when i talk with you,
