Ev ry soul has a secret,
E
Give it away or keep it,
C#7 **E** **F#**
But yesterday s gone so tell me why.

B **G#m**
You carry the weight, the weight of the world,
Ebm **F#**
It s breakin you down on your back like a boulder.
B **G#m** **Ebm**
Before it s too late, get rid of it, girl,
F#
Get it off of your shoulder.
C#m **E**
I know you ve been used,
C#m **E** **B**
But you gotta lose the weight of the world.

F# **C#m** **E** **B**
Maybe I haven t always been there just for you,
F# **C#m** **E** **B**
Maybe I try but then I got my own life too.
G#m
Ev ry heart has a hunger,
E
I m not getting any younger,
C#7 **E** **F#**
I got all the crosses i can bear.

B **G#m**
Don t gimme the weight, the weight of the world,
Ebm **F#**
It s breakin me down on my back like a boulder.
B **G#m** **Ebm**
Before it s too late, get rid of it, girl,
F#
Get it off of my shoulder.
C#m **E**

You know i ve been used,

It all comes down to who you crucify.

Ebm E C#7

You either kiss the future or the past goodbye,

E F#

We could fly so high.

B G#m

But we carry the weight, the weight of the world,

Ebm F#

It s breakin us down on our backs like a boulder.

B G#m Ebm

Before it s too late, get rid of it, girl,

F#

Get it off of our shoulders.

C#m E

We ve all been used,

C#m E B

And we gotta lose the weight of the world.

G#m Ebm F#

It s takin us down and the night s growin colder,

B G#m Ebm

Just blame it on fate, that was yesterday, girl.

And we re just growin older.

C#m E

We ve all been used,

C#m E B

Now it s time to lose the weight of the world,

F#4 B

The weight of the world,
