Let s me down so
A **Bm**
For a thousand reasons that I know

To share forever the unrest

With all the demons I possess
F#m **Bm**
Beneath the silver moon

Maybe you were right
A **Bm**
But baby I was lonely

I don t want to fight
A **Bm**
I m tired of being sorry

And longing for a life

Beyond the silver moon

A **Bm**
I m tired of being sorry

Bm **Em**
I m standing in the street
