

Chamber The Cartridge Intro
Rise Against

This song has the coolest intro...

```
e-----|
b-----|
g-----0-----|
d----0-1--0-1-3-1-0-1-0-----0-1--0-1-3-1-0---3-1---|0
a--3-----3-1-3-----|
e-----| (2X) then pick slide
```

On the second time around end on a--3.

The intro was easy to figure out...there s another way to play it that s all on the a but i think this is easier...now I just have to figure out the rest of the song!

let me know if you think this is right or if you have any suggestions for the rest of song... *
