Ok this is for the beginners of the guitar world (and everyone else), simple and I am sure it is right. Really couldnt be stuffed tabbing the whole song, sry.

Tuning: Standard

```
e|-2-11-22-11-22-11-22-11-|
B|-4-44-44-44-44-44-44-44-|
G|-----|
D|-----|
A|-----|
E|-----|
```

Each verse follows the same pattern as the intro with one different formation.

```
e|22-11-22-11-22-11-22-11-22-11-22-11-22-11-----|
B|44-44-44-44-44-44-44-44-44-44-44-44-44-4444-----|
G|-----33-3333-----|
D|-----|
A|-----|
E|-----|
```

thats pretty much all there is to it (besides the chourus/bridge). Enjoy
