

**Help Is On The Way  
Rise Against**

Hey guys, this is my version of this beautiful song. It doesn't sound like the original one but I think that it's much easier to sing. This is also an acoustic cover, hope you like it anyway. Please be kind with your rating because it's my first song^^

[Intro]

**Dm - F - Bb - C**

[Verse 1]

**Dm**

I have my mother s dreams

**F**

I have my father s eyes

**Bb**

You can't take that from me

**C**

Just go ahead and try

**Dm**

The crescent city sleeps

**F**

Watch lions in the sky

**Bb**

Preparing to unleash

**C**

Unleash a mighty cry

**Bb**

**C**

Can nobody save us?

**Dm**

Will anyone try?

**F**

The pile is burning

**Bb**

The severance is tight

**C**

And all along I say it

[Chorus]

**Dm**

**F**

**Bb**

Help is on the way  
(They said they said)

**Dm F Bb**

Help is on the way  
(They said they said)

**Dm F Bb**

Hold my hand, to help see

Right there in front of me

**Dm F Bb**

Help is on the way

[Verse 2]

**Dm**

Five thousand feet below

**F**

As black smoke engulfs the sky

**Bb**

The ocean floor explodes

**C**

Eleven mothers cry

**Dm**

My bones are resigning

**F**

A burning lullaby

**Bb**

You can't take that from me

**C**

**Bb**

Just go ahead and try

**C**

She says that's a sure line

**Dm**

With hands in the air

**F**

Her words miss the dark light

**Bb**

Does anyone care?

**C**

And all along I say it

[Chorus]

**Dm F Bb**

Help is on the way  
(They said they said)

**Dm F Bb**

Help is on the way  
(They said they said)

**Dm F Bb**

Hold my hand, to help see

Right there in front of me

**Dm F Bb**  
Help is on the way  
**Dm F Bb**  
Right there  
Right there (x3)

[Bridge]

**G**  
Choking on the blackout  
**F**  
Upon which we here rely  
**Bb**  
We keep actions in the attics  
**C**  
To see cameras in the sky

[Chorus]

**Dm F Bb**  
Help is on the way  
(they said they said)  
**Dm F Bb**  
Help is on the way  
(they said they said)  
**Dm F Bb**  
We were told just to sit tight  
Cause somebody will soon arrive  
**Dm F Bb**  
Help is on the way  
**Dm C Bb**  
But it never came  
**Dm C Bb**  
It never came

[Chorus]

**Dm F Bb**  
Help is on the way  
(They said they said)  
**Dm F Bb**  
Help is on the way  
(They said they said)  
**Dm F Bb**  
Hold my hand, to help see

Right there in front of me  
**Dm F Bb**  
Help is on the way

On the way
