A9 E

E  
Black leather boots  
G#m  
Spit-shined so bright  
A9 E  
They cut off my hair but it looked alright  
A9  
We marched and we sang  
E  
We all became friends  
B  
As we learned how to fight

C#m  
 A hero of war  
 A9  
 Yeah that's what I'll be  
 E  
 And when I come home  
 B  
 They'll be damn proud of me  
 C#m  
 I'll carry this flag  
 A9  
 To the grave if I must  
 E  
 Cause it's a flag that I love  
 B  
 And a flag that I trust  
 E  
 I kicked in the door  
 G#m  
 I yelled my commands  
 A9  
 The children, they cried  
 E  
 But I got my man  
 A9  
 We took him away  
 E  
 A bag over his face  
 B  
 From his family and his friends  
 E  
 They took off his clothes  
 G#m  
 They pissed in his hands  
 A9  
 I told them to stop  
 E  
 But then I joined in  
 A9  
 We beat him with guns  
 E  
 And batons not just once  
 B  
 But again and again

E G#m  
She walked through bullets and haze  
A9  
I asked her to stop  
E  
I begged her to stay  
A9  
But she pressed on  
E  
So I lifted my gun  
B  
And I fired away

Riff:

[illegible]

E G#m  
And the shells jumped through the smoke  
A9  
And into the sand

E  
That the blood now had soaked  
A9 E  
She collapsed with a flag in her hand  
B  
A flag white as snow

C#m  
A hero of war  
A9  
Is that what they see  
E  
Just medals and scars  
B  
So damn proud of me  
C#m  
And I brought home that flag  
A9  
Now it gathers dust  
E  
But it s a flag that I love  
B  
It s the only flag I trust

E G#m
