[Intro]

**Dm - F C**  
**Bb C**

(Play only the base (D - F - C - Bb - C) once and the high notes d - 3 fret on the b string and the high e string (d-e-d-e-d-e-d) after. Rel. to capo.)

[Verse]

**Dm**

**F C Bb**  
Do you see the world in different colors?

**C Dm**  
Do you see the world in black and gray?

**F C**  
Alone in your thoughts

**Bb C**  
How many others have stood where you stand

**Bb**  
Where you stand today?

**C**  
I ve stood where you stand  
But all, can you...

[Chorus]

**Bb C**  
Wait for me now?

**Dm F**  
Take off this crown

**Bb C**  
To break all these vows

**Dm**  
Don t you know?

**Bb C**  
Wait for me now

**Dm F**  
The airs running out

**Bb**  
Wait for me, wait for me  
**C Dm**

Wait for me, wait for me now

**Dm** - **F** **C**  
**Bb** **C**

[Verse]

**Dm**

**F** **C** **Bb**  
The promise of safe return undelivered  
**C** **Dm**  
The ocean is wider than I first guessed  
**F** **C** **Bb**  
When roads disappeared, I followed the rivers  
**C** **Bb**  
But somehow got in over my head  
**C**  
So deep I felt taken

[Chorus]

**Bb** **C**  
Wait for me now?  
**Dm** **F**  
Take off this crown  
**Bb** **C**  
To break all these vows  
**Dm**  
Don't you know?  
**Bb** **C**  
Wait for me now  
**Dm** **F**  
The air's running out  
**Bb**  
Wait for me, wait for me  
**C** **Dm**  
Wait for me, wait for me now

[Bridge]

**Dm** **C**  
A lost dream of what could have been  
**Bb**  
A house on fire, a tangled web  
**Dm** **C** **Bb**  
The key turns to find the locks have changed  
**Dm** **C**  
In time to hear the back door slam  
**Bb** **Dm**  
A sound that to this day I can't forget  
**C** **Bb**  
The colors drained to black and gray  
Oh...

[Chorus]

**Bb**                      **C**  
Wait for me now?

**Dm**                      **F**

Take off this crown

**Bb**                      **C**  
To break all these vows

Don't you know?

**Bb**                      **C**  
Wait for me now

Dm
F  
 The airs running out

**Bb**  
Wait for me, wait for me

<b>C</b>	<b>Dm</b>
Wait for me, wait for me now
