So what you need to do is let me smell yo dick

(hook)

**F**  
Its four o clock and Iâ€™m sleepin  
**C**  
and its late night and you creeping  
**Bb**  
you could ve told me I m leavin  
**F** **F**  
now I know you out there cheatin  
why you got to do me like dat  
**C**  
when I call you donâ€™t call me back  
**Bb**  
Iâ€™m texting you like \*er where you at  
**F**  
thatâ€™s fucked up why you do me like dat

(Verse 1)

**F**  
Iâ€™m dead asleep and you trickin  
**C**  
In the club wit dirty foot bitches  
**Bb**  
My girl was there she witness  
**Bb**  
She had a camera phone she took pictures  
**F**  
You was on the dance floor grindin  
**C**  
With a stripper ho named Diamond

**Bb**

You was flossin hard you was shinning

**Bb**

Everything she drink you was buyin it

**F**

Fuck \*er you need to stop lyin

**C**

foe I get mad and pull out my 9

**Bb**

You want a new bitch to fuck thatâ€™s fine

**Bb**

but donâ€™t fuck hers and try to fuck mines

**F**

You keep tellin me you ainâ€™t touch her

**C**

but some keep tellin me you dun fucked her

**Bb**

and I ainâ€™t that bitch you want to play wit

**F**

**C**

fucker drop them boxers and let me smell yo dick

repeat chorus

**F**

Smell my dick wait a minute hold up

**C**

see thatâ€™s how a bitch get her eyes swoll up

**Bb**

and I donâ€™t give a damn what yo homegirls seen

**F**

when I was in the club what the fuck you mean

**C**

they ainâ€™t got no business eyein me like dat

**Bb**

You ainâ€™t got no business tryin me like dat

**F**

I wun even feelin Diamond like dat

**C**

I was wilin but I wasn t clownin like dat

**Bb**

**F**

Datâ€™s alright datâ€™s okay

**C**

**Bb**

go head believe what yo homegirl say

**F**

**C**

a \*er like me drink a lot of liquor

**Bb**

**F**

meet a lot of bitches take a lot of pictures

**C**

I might break bread wit one or two strippers

**Bb**

but that donâ€™t mean you got to pull my zipper

**F**

They think now think the whole town(?)

C

even thogh I got dick to go around

repeat chorus
