

All Time High  
Rita Coolidge

**C** **Em** **Am**  
All I wanted was a sweet distraction for an hour or two,

**F** **E**  
had no intention to do the things we ve done.

**C** **Em** **Am**  
Funny how it always goes with love, when you don t look, you find,

**F** **E**  
but then we re two of a kind, we move as one.

(Chorus:)

**A** **D**  
We re an all time high, we ll change all that s gone before,

**Bm** **E**  
doing so much more than falling in love.

**A** **D**  
On an all time high, we ll take on the world and win,

**Bm** **G**  
so hold on tight, let the flight begin.

**C** **Em** **Am**  
I don t want to waste a waking moment, I don t want to sleep,

**F** **E**  
I m in so strong and so deep, and so are you.

**C** **Em** **Am**  
In my time I ve said these words before but now I realise,

**F** **E**  
my heart was telling me lies, for you they re true.

(Chorus)

**Bm** **G** **A**  
So hold on tight, let the flight begin. We re an all time high.
