

In My Life
Rita Lee

(Lennon/McCartney)

[Intro:] **A E**

A A/G# F#m F#m/E
There are places I ll remember
D Dm A
In my life, though some have changed
A A/G# F#m F#m/E
Some forever, not for better
D Dm A
Some have gone and some remain

F#m B7
All these places had their moments
D F A
With lovers and firends I still can recall
F#m B7
Some are dead and some are living
D A
In my life I ve loved them all

But of all these friends and lovers
There is no one compares with you
And these memories lose their meaning
When I think of love as something new
Though I know I ll never lose affection
For people and things that went before
I know I ll often stop and think about them
In my life I ll love you more
