

C G Em Bm
Hello, hi, goodbye

C G Em Bm
So i m saying, hello, hi, goodbye

C G Em Bm
Saying, hello, hi, goodbye

C G Em Bm
Saying, hello, hi, goodbye
Saying...

C G Em
Imagine a future of you and me

Bm C
Seems good and then you leave

G Em
The pain in this vision is killing me

Bm C
Reality is we will never be

G Em
I m prone to a love travesty

Bm C
And this feels like another tragedy

G Em Bm C
And the truth really is we re too young to understand love s demands

G Em
Love express will take you up five flights

Bm C
And let you go then, crash,

G Em
No replying from the ash

Bm C
We ll just be burning up after that

G Em Bm
I ll hate you, or, you ll hate me, or, I ll take you, or you ll break

G Em
And now I m scared, cause I ve been there

Bm C
Stuck in this prison, No optimism

C G Em
And now it s hello, hi, goodbye

Bm C G Em
 My heart has no room for love, so i m saying, hello, hi, goodbye
 Bm C G Em
 My heart fell so in love, saying, hello, hi goodbye
 Bm C
 Any other time, I d be yours,
 G Em
 Saying, hello, hi, goodbye
 Bm C
 But that thing in me is gone.

G Em
 I know you wish somehow I could explain
 Bm C
 I m still numb from the pain
 G Em
 And I don t want to know your name
 Bm C
 Please get up and walk away
 G Em
 I don t wanna fall in love again
 Bm C
 Don t want to start anything that could end
 G Em
 I know you think you can get through to me
 Bm C
 But I m on lock in loves penitentiary,
 G Em
 I already know how this goes
 Bm C
 Laid down, broken, heart broke

G Em Bm
 C
 I ll hate you, or, you ll hate me, or, I ll take you, or you ll break me, or
 G Em
 And now I m scared, cause I ve been there
 Bm C
 Stuck in this prison, No optimism

G Em
 And now it s hello, hi, goodbye
 Bm C G Em
 My heart has no room for love, so I m saying, hello, hi goodbye
 Bm C G Em
 My heart fell so in love, saying, hello, hi goodbye
 Bm C G Em
 Any other time, I d be yours, saying, hello, hi goodbye
 Bm C
 But that thing in me is gone.
