C G Em Bm  
Saying, hello, hi, goodbye

C G Em Bm  
Saying, hello, hi, goodbye  
Saying...

C G Em  
Imagine a future of you and me

Bm C  
Seems good and then you leave

G Em  
The pain in this vision is killing me

Bm C  
Reality is we will never be

G Em  
I m prone to a love travesty

Bm C  
And this feels like another tragedy

G Em Bm C  
And the truth really is we re too young to understand love s demands

G Em  
Love express will take you up five flights

Bm C  
And let you go then, crash,

G Em  
No replying from the ash

Bm C  
We ll just be burning up after that

G Em Bm  
I ll hate you, or, you ll hate me, or, I ll take you, or you ll break me, or

G Em  
And now I m scared, cause I ve been there

Bm C  
Stuck in this prison, No optimism

C G Em  
And now it s hello, hi, goodbye

My heart has no room for love, so i m saying, hello, hi, goodbye

My heart fell so in love, saying, hello, hi goodbye

Any other time, I d be yours,

Saying, hello, hi, goodbye

But that thing in me is gone.

I know you wish somehow I could explain

I m still numb from the pain

And I don t want to know your name

Please get up and walk away

I don t wanna fall in love again

Don t want to start anything that could end

I know you think you can get through to me

But I m on lock in loves penitentiary,

I already know how this goes

Laid down, broken, heart broke

I ll hate you, or, you ll hate me, or, I ll take you, or you ll break me, or

And now I m scared, cause I ve been there

Stuck in this prison, No optimism

And now it s hello, hi, goodbye

My heart has no room for love, so I m saying, hello, hi goodbye

My heart fell so in love, saying, hello, hi goodbye

Any other time, I d be yours, saying, hello, hi goodbye

But that thing in me is gone.
