But that was love and it s an ache I still remember

Second Verse

Same chords as above

You can get addicted to a certain kind of sadness, yeah
Like resignation to the end, Always the end, oh
So when we found that we could not make sense
Well you said that we could still be friends
But I ll admit that I was glad it was over

=====

Chorus

C#m B A B
But you didn t have to cut me off
C#m B A B C#m
Make it out it never happened and that we were nothing

And I don t even need your love
 C#m B A B
But you treat me like a stranger and that feels so rough
C#m B A B
 But you didn t have to stoop so low
C#m B A B C#m
Have your friends collect your records, and then change your number
