

Worth It All

This is my rendition of the song. I regularly perform it as a worship leader and have added some variations to the chorus. G-d bless!

I don't understand your ways

C

Oh, but I will give you my song

With it you are pulling me closer

Pulling me into your ways

[Pre-Chorus]

Em

Now, around every corner

And up every mountain

G

I'm not looking for crowns

That the sight of your face

C

Is all that I needed

I will say to you
